

Joshua Horacsek

PhD Student, Sessional Instructor, University of Calgary
208-725 12 Ave SW Calgary AB, T2R 0H9

To whom it may concern,

Kiley Carson has been a student of mine through multiple classes at the University of Calgary. She definitely stands out in my mind, in particular as a student who is vocal when she needs to know something, and is willing to put in the time to understand concepts if she's having difficulty — she takes ownership and responsibility over her education.

On that merit alone, it would be enough for me to recommend her — however, I'm also aware of leadership and mentorship roles in the Peer Support team and I know that she'll soon be expanding her role as a team lead. This, in conjunction with her role as a math tutor for adolescent students with learning disabilities exemplifies her communication and leadership skills.

Overall, Kiley comes across as a genuine, honest and hardworking individual, and I have no issues recommending her as a DSC lead. She's currently the Women Techmaker's Ambassador for the GDG Calgary Chapter, and I think that the opportunity to become a DSC lead is congruent to that position, her skill set and her personality.

If you have any specific questions about Kiley's experience, I'd happy to clarify. You can contact me at 778-689-5011 or via email joshua.horacsek@ucalgary.ca.

Cheers!
